

MOBILE SERVICE VAN

Genset

Oil Waste Tank

Air Compressor

Hose Reels

Mobile Service Van is a multipurpose vehicle used for maintenance and repair of construction and mining equipment at site. It gives the benefit of on-site repairs/maintenance without wasting any time to bring the equipment or vehicles to workshop. The Service van is fully equipped with oil dispensing system, tools, small equipment and other utilities such as oil pumps, grease pump, air compressor, grinding machine, drilling machine, welding machine, washing pump, cutting set, lights etc. As power is generated using a PTO driven hydraulic generator it does not require any external electrical supply or compressed air to run various service related tools and equipment.

MOBILE SERVICE VAN

DELCO
Built to Last

Salient Features

PTO Driven Hydraulic Power Generator with Control Panel
Inverter based Welding Machine
34 Types of Tool sets, Gauges and Testers with engraved Tool Chest
Air Compressor with Pneumatic Line
Washing Pump with Gun and Hose
Oil and Grease Pumps with Retractable Reels and Digital Dispensing Guns
Collapsible Jib Crane with Chain Pulley Block and Floor Rail Trolley
Portable Drilling Machine with Magnetic Stand
Magnetic Base LED Flood Lights
Bench Vice
Grinding Machine
Tyre Inflation and Stowing System
Fire Extinguisher
Bottle Jack
Foldable Ladder
DieselTray
Oxygen and LPG Torches with Regulators and Hoses
Work Table, Almira and Storage Space
Water Tank
Waste Oil Transfer Pump, Low Body Collection Tank and Storage Tank
Power Points
First Aid box

Vehicle

- Suitable for all LCVs/ HCVs/ Crewcabs of any make.
- Customization available as per the requirement.

Merits - PTO Driven Hydraulic Generator

- ★ **Space:**
Occupies less space as required by an equivalent capacity diesel generator. Possibility of making service van in smaller chassis which saves huge capital cost and operational cost.
- ★ **Costing:**
Cheaper than diesel generator and low on operation and maintenance costs.
- ★ **Clean Hazard Free Cabin:**
No fuel spills, No CO₂ emission, No heat emission, Low vibrations and sound in the cabin.
- ★ **Technology:**
Innovative product with host of benefits widely welcomed by the users.

Warranty

All products are guaranteed against defects due to faulty workmanship or materials for twelve months from the date of purchase. This guarantee is limited to the repair or replacement of any parts found to be defective, and no other liability—expressed, implied, or contingent—is assumed.

Disclaimer

These specifications are general guidelines for product selection and can be changed for your specific requirement. Specifications are provided for convenience of reference only and may vary upon manufacturing of individual product. Recommended for captive use only and not for sale of fuel. Any commercial use at own's risk.
